Welcome to the Preschool & Children's Ministry

Together, families at Little Flock are building values and beliefs into the lives of their children so they will be strengthened for powerful success in a constantly changing world.

The Bible is our firm foundation for values and beliefs, and at Little Flock, many dedicated volunteers eagerly engage children in active learning each week. Practical projects and activities encourage children to live out their learning. Above all, we are privileged to learn along-side of our children as they love the Lord with all their heart, mind, and strength.

We are honored to partner with your family in this great work. If there is any area where you have questions, or where attention is needed, please contact me. May God bless your family.

Safety

We are committed to providing your child with a safe and secure learning environment.

All of our staff and volunteers are required to undergo a complete background check.

We use a security tag system during Sunday School and evening programming. Children may be picked up only if a matching security tag is presented.

If you have any questions, please feel free to contact a member of the Children's Ministry team. Thank you for entrusting your child to us.
